

MLCS – Vision (Draft)

Our vision for Marsh Lake is to be a healthy, vibrant, active community.

MLCS – Objectives (Draft)

Social

- Maintain the society as open, accessible and inclusive to everyone in the community.
- Increase community participation and interest in local activities.
- Nurture respect and collaboration in the community.
- Foster community pride and identity.
- Cultivate networks and communication amongst Marsh Lake organizations.
- Provide a range of activities representative of the community interests.
- Foster a sense of ownership in the community (e.g. facilities, activities, each other, etc.)

Environment/ Health

- Foster emotional and physical health.
- Develop opportunities to lead active lifestyles at Marsh Lake.
- Facilitate a healthy and safe environment.
- Promote the natural environment that inspires outdoor activity.
- Adopt and support environmentally sound practices.

Economic

- Establish revenue generators that support our social and environmental values.
- Maintain financial sustainability.
- Encourage local entrepreneurial spirit.
